A townhouse that clearly places the emphasis on 'house', this ideal dual level address is introduced by its own frontage to one of Newport's most consistently sought after streets. The polished floorboards of the bright living/dining area flow to a courtyard backdrop that's landscaped for low-maintenance ease while an open-plan kitchen features stone bench-tops, stainless steel appliances, a glass splash-back and the timber tones of quality cabinetry. A main bedroom with an ensuite and a walk-in robe on the downstairs level sets the luxury standard for two further bedrooms, both with built-in robes, accompanied on the upstairs domain by a central second bathroom and a retreat of welcoming dimensions. Individual heating/cooling in each room. Secure single garage. Close to Newport Gardens Primary School, the Bayside College P-12 campus, Challis Street shops and Mason Street village, certain to provide lifestyle appeal that's in keeping with its alluring proportions.
