Start with a big garden outlook, invest in small group, this rare one bedroom unit has something to see inside and out! One of just 6 in this garden-wrapped group of streetfront units, this sparkling single-bedroom home has direct entry from the street out front, a large lawned communal garden behind ...and perfectly polished style in between! Shining with a quality stainless-steel appliance kitchen in a light-filled open-plan, this well-presented unit features a big bright bathroom with a private WC, a sizeable bedroom with robes... and sunny open outlooks to green garden spaces in both directions. Presented to invest or enjoy with polished hardwood floors and quality block-out and e-screen blinds, this gas-heated home has laundry facilities inside and carport parking on-site. Best of all, it has this in-demand location on the border of Endeavour Hills. Equally close to quiet Endeavour Hills shopping centre and Dandenong's major business, retail transport and hospitality hub, with Power Reserve at one end of the street and Doveton Pool at the other, this sparkling single is set to shine!
