At the forefront of contemporary architectural design, this sensational brand-new executive residence is a glowing testament to quality, luxury and contemporary refinement. Commanding views to Yarra River parkland and the city skyline showcase spectacular proportions inside and out and also boasts a 3+ car basement garage and lift. High ceilings accentuate the sense of space while oak floors and an abundance of Super white marble highlight the exemplary level of finish throughout. The wide entrance hall flows through to a state-of-the-art premium kitchen appointed with Super white marble benches, Miele appliances, integrated Liebherr fridge/freezer and butler's pantry. Bathed in northern light, the exceptionally generous open plan living and dining room features a built in marble study nook and gas log fire. Full height stacking glass sliders extend the living out to an oversized private paved north-facing courtyard providing plenty of space for lavish outdoor entertaining. A light-filled downstairs bedroom with robes and stylish en-suite/bathroom is complemented upstairs by two additional robed bedrooms, a designer bathroom with bath and enjoying the magnificent views, an opulent main bedroom with walk in robe and stunning en suite. The basement level comprises a versatile gym or wine cellar, laundry and 3+ car private garage. Exclusively situated in a prized Studley Park address close to Church St trams, Kew Junction, Yarra River parkland and elite schools, it includes lift, security intercom, zoned heating/cooling, remote external blinds, double glazing, 6* energy rating and irrigation.
