To suit downsizers, first home buyers and investors this wonderfully maintained, fully renovated stand alone unit. With its own driveway and street access, the property is situated a short walk to Box Hill Central and Hospital precinct as well as local eateries and public transport. The spacious floorplan includes a formal entrance hall with ample storage space, large open plan living with large windows and a modern renovated kitchen with stainless steel appliances and lots of natural north facing light. There are two generously sized bedrooms with built in robes, renovated central bathroom with separate powder room and generous sized laundry area. Single lock up garage with off street parking. There is a large courtyard that is perfect for that family dog or the kids to play in. No body corporate fees. This property is a must see and I look forward to seeing you there at the next open for inspection.
