Trevor Grady of Tom Grady Real Estate is excited to be listing this great economically designed three-bedroom home / townhouse on the Southside on a quiet private parcel of land just 5 min drive to Southside Shopping Centre. The brick veneer home with Colorbond iron roof has been well built with absolutely nothing to do, just move straight in. All bedrooms have built in robes with adequate storage. Generous sized entertainment area out the back and car accommodation is supplied by a lock up garage. The yard has been landscaped and planted with low maintenance gardens with plenty of room for a veggie patch for your convenience. Sleeper retaining walls create easy access to gardens when needed. This great retirement property is located in a lovely quiet street in one of Gympie's more sought after locations and should go on your shortlist of must look at properties.
