Striking from the outside, stunning from within, this fully refurbished apartment reveals a world class, North facing home with breathtaking views that span over a sparkling yacht studded harbour. A celebration of superior craftsmanship within contemporary design, it beckons inside to a sprawling 141sqm of living space, in a whisper quiet, rear of block location. The property showcases a spacious open layout complemented by solid oak flooring, atrium zones for maximum natural light and state-of-the-art finishes, while sliding glass doors draw in endless northern light and lead onto a generous entertaining terrace with sparkling water views. At the heart of the property is a gourmet kitchen, hosting stone benchtops and stainless steel Bosch appliances for lavish meal preparation. Three indulgent bedrooms are graced with custom cabinetry and the main bedroom has a lavish ensuite. Further highlights include ducted heating and cooling, video intercom system, a gas fireplace, two sleek bathrooms plus a guest powder room, two secure car spaces with rear lane access and a large storage room. Perfectly reflecting the sophistication of the locale within a boutique complex of just three, this haven is only moments from waterfront parks, elite schools, bus transport and cosmopolitan delights.
