This solidly constructed brick and tile residence is positioned in a quiet, elevated position that offers the ultimate low maintenance lifestyle. The block is fully fenced with a gentle fall to the street and offers the ultimate in easy care living. As a bonus, extra vehicles, boat or trailer can easily access the side of the property. The home internally offers an open, practical design with a clever use of living and separate dining space. This family hub is convenient to the contemporary kitchen, complete with breakfast bar, pantry and substantial cabinetry and working bench space. The family room also opens to a covered alfresco area with a sunny north/east aspect. The fully fenced zone is private and perfect to entertain family and friends. All three bedrooms are well sized offerings with wardrobes. Bedrooms 2 and 3 are handy to the family bathroom with the master bedroom separate and completed with ensuite and walk in robe. Other features of this fine property include secure, lock up car accommodation with remote door and internal access, plenty of storage and delightful landscaped gardens. The location is convenient to local schools, public transport and easy access to the Bruce Highway. This truly special property can be inspected privately by calling us now on (07) 3880 4311.
