SOLD By Miles Real Estate. Secure your place in the heart of Springthorpe's best-kept secret, an exclusive, gated enclave nestled at the end of a tranquil, hushed street. Positioned luxuriously alongside the golf course, this stylish and sophisticated residence offers more than meets the eye, providing an adaptable, easy living design that seamlessly integrates indoor and outdoor spaces. The lower level beckons with a striking kitchen adorned with high-end Smeg appliances, glossy cabinetry, and contrasting stone waterfall benches. A combined laundry and butler's pantry extend the functionality, leading to an expansive casual living zone that effortlessly merges with a secluded alfresco area. The outdoor space, embellished with sandstone paving and lush plantings, creates a serene atmosphere within the private green oasis. Ascend to the upper level to unveil two generously appointed bedrooms, each boasting its own ensuite bathroom. The master suite provides access to a balcony overlooking the golf course and a majestic old River Red Gum tree. A second entertainers' terrace on this level opens up further options for alfresco enjoyment. Surrounded by parklands and just a leisurely stroll away from Gresswell Nature Reserves, where kangaroos graze in the beautiful bush reserve, this residence offers a garage with internal access and additional parking for two cars. With features like ducted heating, multiple split system units, country club membership, and convenient proximity to La Trobe University, the station, bus stops, and Plenty Road tram, this property serves as the perfect gateway to the coveted Springthorpe lifestyle.
