Open plan living/dining/kitchen zone welcomes you inside, where the interiors feature carpet throughout with modern window furnishings. The kitchen takes care of all your cooking needs with a built-in pantry and cooking appliances (oven, gas cooktop, rangehood). Two bedrooms (one with built-in robes) overlook the private courtyard, while the combined bathroom/laundry features a separate toilet. A gas wall heater keeps you cozy during the cooler months. Home to easy-care gardens, the generous courtyard is a standout feature of the property. Why not enjoy your morning coffee outdoors as you soak up the sunshine? Or pick herbs straight from the garden to add to your favourite recipes? The single carport provides off-street parking plus a lock-up storage unit. This leafy pocket of Herne Hill places you a short walk from public transport, the local walking trail and Hurst Reserve sporting grounds. A wide variety of schools and kindergartens are moments from your front door, making this an ideal choice for young families and single parents. The Shannon Avenue supermarkets are conveniently close by, while easy Ring Road access keeps you connected to Melbourne.*Please note property is unfurnished
