\$400 per week

GAS is included within the weekly rent. This spacious four-bedroom family home includes a rumpus room/study area and a generously sized open-plan living and dining space. It features four bedrooms, a bathroom and an additional separate toilet, a laundry, and heating in the main living area. Outside includes 2 carport spaces and a large deck. Located in St Leonard's, this family home is only a short walk to the town centre and bay beach. Please note that as this property adjoins a salt lagoon reserve no animals are allowed as per COGG by-laws. A Bonus in this house is that gas usage is included within the rent until such time in the future when separate meters are installed for each unit. This property is available now. Please click on the apply button to fill out an application or phone us to arrange an inspection 03 5259 1103.
