Unit 1 still available - Be quick! Beautifully built, spacious and well designed homes. Your first impression will be of Quality and size. An undercover Alfresco area for outdoor living, a garden for pets or children, ample parking plus garaging make these homes a must see. Large open plan living with a beautiful kitchen at one end, offering an island bench and quality appliances. A reverse cycle heat pump, well insulated and double glazing all add up to low cost heating. Three bedrooms, the Primary suite with walk in robe and ensuite is at one end of the house and the other two bedrooms with built ins, handy to the family bathroom with generous bath plus separate shower. The laundry is one of the best I've seen! The garage has internal access to the hall way. Please phone to book your private inspection and I am sure you will agree these homes represent excellent value for money combined with quality and room to move. Close to all facilities in George Town, only minutes from beautiful beaches and a very nice 35 minutes drive from the City of Launceston. Call Chris to arrange your viewing.
