Nestled among picturesque parks and great neighbours these brand new modern dwellings emanate contemporary class and sophisticated style from beginning to end. Enjoying unique and intricate dual-level floor plans, each home has been designed and finished to the highest standards, boasting thoughtful layouts of light-filled living zones and simply stunning kitchens with stone benches and stainless steel appliances. Matching the exquisite finishes experienced throughout, sleek contemporary bathrooms have magnificent floor to ceiling tiles and oversized showers, spacious bedrooms with walk-in robes on both levels, master and guest rooms with matching modern en-suites, plus a versatile upstairs retreat. Light-filled sliding stacker doors bring the outside in, connecting cleverly to a low-maintenance yet conducive private backyard with alfresco entertaining and plenty of room to play. Split-system reverse-cycle heating and air-conditioning throughout, a double garage and separate laundry with storage further contribute to two magazine worthy dwellings peacefully positioned in a quiet no-through road.
