This is an amazing opportunity to purchase two townhouses, live in one and lease the other one as an investment, positioned on perfect corner block in Muirhead. On the ground floor, you are welcomed by a generous sized open plan lounge family dining area, a large family sized kitchen with an island benchtop, the kitchen offering stainless steel appliances with ample cupboard and storage space. Also on the ground level you will find the laundry and internal access to the double secure carport, this makes carrying in shopping a breeze and you won't get caught in the rain. Upstairs you have three overly sized bedrooms 2 with WIR and the third with BIR, the third bedroom is separated from the second and main bedrooms by a study and extra storage area. These townhouses are overly large in all aspects and must be viewed to be appreciated. On the second level you have another family /media room plus separate study area, offering space and room for everyone. This layout offers privacy and room for multiple occupants in the property. Townhouse 1 is available for open viewings from early March 2024, Townhouse 2 is currently leased on a short term lease. Located in the desirable suburb of Muirhead, just a short drive from Casuarina Shopping Centre, the CDU and the Royal Darwin hospital, these executive townhouses offer an elegant design and quiet sophistication that will make a solid investment for the savvy buyer.
