This property located in Miandetta is a stunning gem that boasts of top-notch features that are sure to impress even the most discerning unit buyer. The property presents as new, meaning that it has been kept impeccably, it has a fresh and modern look that is highly sought after in the real estate market. With three spacious bedrooms, this property is perfect for families or anyone who values space and privacy. Each bedroom comes with built-in wardrobes, providing ample storage for clothing and personal belongings. The double glazed windows in each room also provide excellent insulation, keeping the rooms warm in winter and cool in summer. One of the standout features of this property is the remote lock-up garage with internal access. This is an added convenience that is highly valued by homeowners, especially during inclement weather. The garage provides secure and easy access to the property, ensuring that you can come and go with ease. In addition to the garage, this property also has a large front yard and a mod wood deck, perfect for outdoor entertaining or just relaxing in the sunshine. The mod wood deck is low maintenance and highly durable, ensuring that it will last for years to come. To keep you comfortable all year round, this property comes equipped with a reverse cycle air conditioning system. This means that you can enjoy cool air during the hot summer months and stay warm and cozy during the winter. In summary, this property in Miandetta is a dream come true for anyone looking for a modern and spacious unit that offers all the features of a comfortable and convenient lifestyle. With its top-notch amenities, this property is sure to attract a lot of attention in the real estate market.
