Located in a leafy, quiet street with parks and Joondalup town centre on your doorstep this lovely property is a very well presented single storey 3 x 1 home, should be viewed as soon as possible. Spacious living room to the front of the property which then opens onto the rear open plan kitchen and dining room. Well equipped kitchen with ample floor and wall cupboards, great bench space, upright stove, double fridge recess and built in pantry. To the rear of the kitchen is a sun room which could be utilised as a small games room/play room and overlooks and opens onto the rear gardens. Both minor bedrooms are double sized with the second bedroom also having a split system air conditioning unit. Queen sized master bedroom with built in robes, split system air condition unit and access to the 2-way bathroom with bath, shower cubicle, vanity and separate toilet. There is a single garage to the front with up and over door and ample parking for several vehicles on the driveway and paved areas. There is a huge outdoor patio to the side of the house for easy entertaining with paving, established garden beds and to the rear fully fenced and enclosed gardens with gazebo and a large rear storage shed. The property presents well with security alarm, gas hot water system and is the ideal home for the small family or couple looking for a low maintenance home in a quiet neighbourhood.
