Architecturally designed and destined to deliver rewards far into the future, this townhouse features clever spaces and first class finishes in a location with great growth prospects. A living and dining domain distinguished by stylish timber floors and attractive aspects over a secluded deck and spacious outdoor settings, both landscaped with private and open spaces. An open-plan kitchen that tells a story of stone, stainless steel and quality cabinetry. Upstairs, two double bedrooms, one with walk-in robes and balcony outlooks, and ensuite. A sophisticated second bathroom with desirable attention to detail. Reverse cycle heating/cooling, water tank, garden storage and an allocated carport further enhance a new way to appreciate proximity to Vernon Street village, Edwards Reserve, freeway access and Spotswood station.
