Tucked away in a quiet triplex, this delightful unit with a large sunny yard is offered to market for the first time ever. The spacious living and dining areas are filled with natural light, while both bedrooms feature built-in-ropes and are serviced by a two way bathroom. A separate laundry leads out to the secure and private yard that, best of all, boasts side access - a rare find for a unit! Enjoy the close proximity to Wollongbar Primary School, local sporting fields and grocery store, all while being an easy drive to the coast. Easy maintenance and in a great location, this could also be a great addition to your investment portfolio. Contact Troy and Jack at Elders Alstonville today to find out more and arrange your inspection!
