Be wowed by this unique family home, spread over three sensationally renovated levels, offering five spacious bedrooms, two bathrooms and multiple living zones. Boasting approx. 253sqm of internal space plus balconies, it is filled with an abundance of natural light, the ultramodern kitchen/living/dining boasts marble benchtops, ample cabinetry, balcony access and premium appliances including a Smeg freestanding cooker. The luxurious master bedroom delivers built-in robes and a stylish ensuite while the other sunny bedrooms share a stunning bathroom anchored by a freestanding oval bath. The surprises keep coming with a rumpus room, home theatre, home office and wine cellar adding flexibility. Moments from Sydney Rd trams, shops and cafes, this superb home also has undercover parking for two cars, powder room, communal garden and split systems.
