Sumptuous, sophisticated and set to ignite the senses is this luxuriously appointed and architecturally crafted front facing three bedroom home. The moment you step foot into this next to new home you'll feel an instant sense of calm. Its free-flowing inner layout is a hub not only designed as a place of relaxation & indulgence - but also a living environment designed for entertaining in ultimate style. Featuring open plan living with a large living area that flows seamlessly to the dining and kitchen area, natural lighting and bright tones create a perfect backdrop for your family to make it your own. Two bedrooms compromise of built in robes and shared bathroom. Contemporary living highlighted with quality fixtures and fittings throughout, plus the comfort of heating/cooling, duct vacuum system, security alarm system, storage, lock up garage and low maintenance rear yard. Destined to become your new address, inspections will not disappoint.
