This lovely and spacious modern home is set over two levels. On the ground floor are an internal garage, two bedrooms with built-ins, storage and a powder room. Upstairs is the huge open-plan living-dining-kitchen space, 3 bedrooms (2 with built-ins, one with walk-in robe), two bathrooms, laundry, corridor storage and balcony. This level also has level access to the rear garden. In addition to the garage there is a carport and open parking for another vehicle. Reverse-cycle air-con provided. Sorry, no pets.
