This remarkable Art Deco apartment is one of just six in a grand mansion, thoughtfully renovated to preserve its heritage. High ceilings, limed timber floors, create a timeless atmosphere. The modern kitchen features double under bench fridges, a large 1800mm gas stove/oven, and opening out to lush rear gardens. The flexible floorplan allows for either a one-bedroom with a dedicated dining room or a two-bedroom space. The master bedroom includes wardrobes, and the central bathroom offers a shower-over-bath and European laundry facilities. The front bedroom, currently used as a living space with study nook, boasts beautiful bay views. This secure, quiet boutique block also features a wonderful shared rooftop garden with stunning bay views. For year-round comfort, enjoy the convenience of hydronic heating throughout the apartment. **If this property is of interest to you, please ensure that you register your interest by clicking on the 'Get in touch' button, so that you are kept up to date with inspections, price changes and similar properties that may be suitable.
