Advantaged by its own street frontage and independent driveway, this stunning single-level villa caters brilliantly to low-maintenance lifestyle requirements. Bright, inviting and impressively proportioned, platinum presentation flows throughout the dual-zoned layout, where a light-filled lounge precedes a modern kitchen/meals area with island bench, and further outdoors to a large covered deck – a beautiful setting to relax and entertain. The main bedroom is luxuriously fitted with an ensuite/BIR, and is accompanied by 2 further robed bedrooms (one with access to the deck), while ducted heating, split system AC, powder room and double garage add further appeal to discerning downsizers, young families and astute investors. Appreciate this peaceful location within the MWSC and Essex Heights Primary catchments, walking distance to PLC, Deakin University, Mount Scopus, Gardiners Creek Trail, trams, buses, Brickworks and Burwood One.*Please Note* Buxton Real Estate may refuse to provide further information about the property should you prefer not to disclose your Full Contact Details including Phone Number.
