The heritage appeal of a clinker brick home is alive and well, and you are sure to fall in love for this two bedroom double brick home sporting a designer renovation. On a 395m² (approx.) allotment that boasts front and north-facing rear gardens, this home's modern makeover retains its distinctive portico entrance, gleaming Tasmanian Oak floors and steel casement windows and showcases them in a fresh new light. The living and dining room with an open fireplace takes in views over the front gardens, and a Bosch appointed kitchen incorporating 900mm induction cooktop, oven and fully integrated dishwasher set amid shaker style cabinetry and timber counters flows to a covered entertainer's deck and established gardens. The central bathroom is exclusively tiled and incorporates underfloor heating while a separate laundry, additional w/c, central heating/cooling and double garage plus off-street parking ensure you lack for nothing. Just a short walk to Macleod Station and village shopping and cafes, near Cherry Street Grasslands and Rosanna Parklands and within easy reach of Greensborough and Heidelberg shopping precincts and Austin/Mercy hospitals, this delightful property is the stylish first home or investment you've been looking for.
