Set in an established building this apartment is one of only four, with premium water views, and an oversized community garden area. Interiors are blank, ready for a passionate renovator to redesign to individual, contemporary style and enjoy a completely bespoke home in a highly sought-after address. The location provides true convenience, placed just minutes to Balmoral Beach, Mosman village shops and a range of beautiful reserves, while also in the catchment for elite schools. It's a unique offering with undeniable lifestyle appeal.

- North facing apartment provides naturally bright, warm interiors
- Positioned on level one, with secure access, established building
- Completely blank canvas, ready to design brand new interiors
- Oversized layout with house-like proportions, solid structure
- Two bedrooms, both generously sized, one family size bathroom
- Convenient single lock up garage, off-street parking for guests
- Beautifully maintained community garden has child-friendly lawn
- In the catchment for Mosman Public School, Mosman High School
- Short walk to Balmoral Beach with cafés and eateries and parks
