Enjoy quiet convenience and a peaceful setting in this two bedroom villa surrounded by lush parklands, only footsteps to Wattle Park Primary School, Emmaus and Box Hill bus and just a short walk to Toorak Rd tram and Through Rd cafes. In a small well-maintained block, and with its own street frontage, this desirable single level residence has recently been freshly painted and carpeted throughout and is ready for you to move into and enjoy. A spacious lounge area sits at the front admiring the surrounding garden outlooks while a kitchen with meals area leads to a sunny courtyard. An impressively sized main bedroom and second double bedroom, both with robes, enjoy their own zone and are serviced by a central bathroom and separate WC. Ducted heating throughout and air conditioner in the lounge provide total comfort while a separate laundry and lock up garage completes the picture.
