The two-story home is situated down a quiet leafy street and only moments to both train stations and shops. You'll find original fixtures and fittings throughout this character property and one thing that we keep on finding throughout is space. Large open plan living spaces, super spacious bedrooms (both with built-in robes). It is a great opportunity to live in such an original character property and this does not come up every day. The home also has gas cooking and gas points to keep you toasty warm during these cool winter nights. Balcony off the master bedroom, timber floors throughout. Combined dining and kitchen with gas cooking and dishwasher. Sunny outdoor entertaining area. Security car space.
