Modern convenience and comfort is on offer with this spacious contemporary apartment. Part of a recently completed complex, every inch of this home exudes style and sophistication making it the perfect opportunity for a first home, or for a savvy investor. Nestled in a recently completed, stylish complex, this residence promises a lifestyle of unparalleled luxury. Its prime location in Bayswater is just the cherry on top. The open-plan main living areas are adorned with timber-look vinyl flooring, offering a blend of warmth and contemporary flair. The kitchen, dining and living can be found in an open plan configuration, making it perfect for entertaining or a quiet evening at home. A roomy covered balcony extends the living space outdoors, providing a serene spot to enjoy your morning coffee or evening read. Both bedrooms are a haven of relaxation, equipped with dehumidifiers to ensure optimal comfort. The split system air conditioning in the main living area guarantees year-round comfort. The bathroom boasts a fully tiled shower, exuding luxury and functionality. Additionally, the euro laundry in the main living area adds a touch of convenience, while the property also offers a dedicated car space, a storage cage, and an additional visitor parking space. From its modern amenities to its stylish interiors, comfort and convenience is a certainty. Located just 200m from Marie Wallace Park, 700m from Bayswater Station, Bayswater Village shops, and Bayswater Secondary College, everything you need is within arm's reach. Families will appreciate the proximity to Bayswater West Primary School, and the closeness to Knox Westfield and EastLink makes commuting and weekend outings a breeze.
