If you have been looking for something modern, with nothing to do but move in, then this is the home for you. Three great size bedrooms, master with walk in robe and ensuite, remaining bedrooms with built in robes. The streamlined kitchen is stunning with stone benches, loads of cupboards and large pantry open to the dining and family area. Ducted heating and evaporative cooling to keep you in comfort from the elements all year round. Nothing but light and tranquillity as far as you can see. The family area opens to the alfresco and rear yard where there is plenty of room for entertaining family and friends. Just a few minutes by car one way to the local free way and a few minutes the other to the main town centre, not to mention a few mins walk to local parks you have everything you need at your door step.
