Its appeal heightened by reverse cycle heating and cooling, laundry facilities, an intercom, and secure carport space, a calm and considered interior sees a generous bedroom served by built in robes and a modern bathroom. Soaking in all day sunlight, an open plan living/dining space offers ample room to work, unwind, and entertain, handily served by a stone top kitchen boasting plentiful storage and stainless steel appliances. With a wraparound terrace providing a peaceful space to enjoy sunrises with coffee in hand, it's superbly situated between the flourishing shopping and culinary scenes of Victoria Street and Bridge Road, while Swan and Chapel Streets, the MCG, and city centre sit a short tram or bicycle ride away.
