\$450,000 - \$480,000

Impressively spacious and versatile, this ground floor standout provides an affordable entry, investment, or downsizer opportunity by lively Kew Junction. One of only nine, a peaceful, low maintenance interior offers every modern essential, with inclusions spanning heating, laundry facilities, and a covered car space on title. With a gas top and stainless oven, a storage rich kitchen serves an open living/dining area, while two generous bedrooms are joined by excellent robe storage and a tidy bathroom with individual bath and shower. A matter of steps from scattered parks and sporting fields, acclaimed schools, and the area's eclectic retail, dining, and nightlife, it's mere moments from the picturesque Yarra River and Studley Park, with trams affording quick and easy city access.
