Very rare to find a modern homette with a very generous courtyard and low maintenance secure garden!A clean, crisp contemporary interior has all the stylish finishes, which include beautiful timber-look flooring in the open plan living area.It also boasts generous size bedrooms, one with built in robes and quality plush carpet in both.Very functional modern kitchen equipped with quality appliances including a dishwasher and under bench oven with rangehood, the u-shape kitchen design saves space with plenty of storage.Neutral earthy colors in the bathroom makes the area feel fresh and fully utilised.Reap the rewards of this great location, quiet, secure and a low maintenance lifestyle, offering excellent options for Primary and High School (Zoned to Magill and Norwood International High), plus walking distance to local transport options, reserves and walking trails all year around!Don't go past this great opportunity, ready to walk-in and enjoy!
