This delightful, well built, spacious 2-bedroom unit offers an easy-care lifestyle in the coveted Frankston High School zone, and would be ideal for 1st home buyers, downsizers, small families, or as a great investment property. This recently updated property is ready to move in and enjoy. The property is set well back from the street with a good-sized front garden and single garage. Step inside the home to discover a large sunlit lounge with RC/AC, then along the hallway to a neat original kitchen with pantry and stainless steel freestanding oven and gas cooktop, plus a separate dining room with ceiling fan. Both bedrooms include a ceiling fan, built-in robes and are serviced by a bathroom with bath, shower and vanity, and a separate toilet, and there's a laundry alongside with garden access. To the rear of the property you'll find a large low-maintenance courtyard space providing privacy and tranquility, perfect for enjoying a morning coffee from the local milk bar just metres away. This beautiful, quiet tree lined street is moments to Jubilee Park, bus stops, Leawarra train station, Monash Uni, Frankston Power Centre, and the Baxter Trail for walking or cycling. It's also convenient for getting into Frankston CBD, Karingal Hub Shopping Centre, and for accessing Moorooduc Highway, Frankston Freeway or Peninsula Link.
