It's a call for instant relaxation. You can't help but unwind across the Federation elegance of this two-tone brick unit on the high side of Glen Crt, in the street connecting to The Glen. From its leafy street frontage facing north, the front unit draws in beautiful natural light through the bay window and offers stunning mountain views from its elevated side courtyard. Those impressive mountain vistas can even be enjoyed from the kitchen, for a picture-perfect cooking backdrop. The easy living setting sets up light-filled living up front, the kitchen and meals area in the middle, and 2 bedrooms beyond the entrance with an ensuite effect bathroom and 2 toilets. Appointed for comfort and security with central heating, evaporative cooling, and a lock up garage, you're so close to shops, restaurants and parks you could get by without a car, with students able to walk to zoned Mount View Primary and Glen Waverley Secondary College (STSA) from this high rising haven in an A-grade location.
