Showcasing a stunning renovation, this property promises blissful country living on approx. 9833.86m²! It's clear to see that no detail was spared in this dream transformation, where contemporary style blends seamlessly with the home's original charm. Polished floorboards and fresh white walls evoke a breezy ambience, with raked timber ceilings and clerestory windows adding an abundance of character. The living room creates a beautiful setting for the whole family to enjoy. The cooler months will entice you to curl up by the wood heater, while summer will inspire you to open the glass doors onto the surrounding outdoor areas. The dining room creates a spacious setting for family dinners, while the open plan lounge/meals/kitchen zone establishes the vibrant heart of the home. The kitchen exudes a chic coastal aesthetic with stone waterfall benchtops, a large walk-in pantry and quality appliances (dishwasher, Bosch oven and Bosch electric cooktop with integrated ventilation). The main bedroom creates a private retreat with a walk-in robe and luxe en suite. Three additional bedrooms with built-in robes share close access to the stunning main bathroom, which showcases a freestanding tub and open shower. You'll love that both bathrooms exude on-trend luxury with stone benchtops and black fittings. The stylish laundry and separate toilet complete the spacious layout, while a reverse cycle air conditioner provides extra comfort. Ample off-street parking includes a double garage. Parents will appreciate that the backyard creates a secure play space for children. So why not relax under the shade of the Elm Tree as you watch the little ones run and play? The expansive grounds will inspire green thumbs to create their own outdoor oasis, while also offering plenty of space for a pool or large work shed (STCA). You can enjoy the best of both worlds, with this country setting placing you close to everyday conveniences. Local schools and the Lake Lorne Reserve are a short stroll away, while Drysdale's shopping precinct is within easy reach. The region's finest wineries are yours to enjoy whenever you please, while the Drysdale Bypass keeps you connected to both Geelong and the surrounding coastline.
