A wonderful Windsor retreat, so convenient yet quiet, this two bedroom north facing apartment with balcony and car space is an investment in lifestyle and spacious living. There's room to spread your wings in the sunny open plan living and dining zone where floor-to-ceiling sliding glass doors seamlessly retract to reveal a northern balcony with privacy, offering leafy views that transport you to a world away from the bustling heart of Windsor. The simple kitchen is equally spacious boasting ample cupboard and bench space, a freestanding oven, and the potential for your personal touch with improvements. Two generous bedrooms with built-in robes provide plenty of space, while a large bathroom, complete with laundry taps, storage cupboards, and a separate toilet and shower room, serves the needs of both residents and guests. Fall in love with the lively lifestyle location, situated just moments away from Chapel Street's vibrant cafes, shops, and nightlife. With Windsor train station and trams nearby, as well as the iconic Prahran Market, the CBD, Albert Park Lake, and the endless attractions of St Kilda within easy reach, you'll have everything you need at your doorstep.
