Harbour splendour and high-end design come together in this beachfront apartment to offer an exceptional garden residence with unobstructed views over the world's most beautiful harbour as a captivating ever-changing backdrop. Recreated from a shell, the one-bedroom apartment showcases the signature award-winning design principles of Iain Halliday of BKH Architects with walls of glass maximising the impact of the vista and direct access to a sunny pool on the water's edge and Rose Bay Beach giving it a resort-like feel. Kick back and enjoy the vista from the comfort of home with views centred on the Harbour Bridge that will never be built out, entertain in style on the barbecue terrace or stroll along the beach to boating clubs and celebrated harbourfront restaurants. Unique in a block of only nine, this luxurious designer sanctuary is secluded from the street in an exclusive cul-de-sac enclave just 450m to the cosmopolitan heart of Rose Bay village. +?
