This Amazing 3 bedroom duplex is available and ready today !!This is more like a 3 bedroom home as the design has a great flow and there is a backyard for the kids and pets to stay safe and have room to play. There is also a secured car garage , plus a carport. The bedrooms are a good size and also have builtins. The spacious kitchen has been tastefully upgraded and has the dining area connected, with easy outside access also perfectly positioned for those who like to entertain, or simply relax....The living room is to the immediate left on entry and again offers an easy flow to the kitchen and dining area. of this well constructed property. The location is Super as it is a quiet position, with very little traffic passing through and this allows you to enjoy the serene front covered entertainment area every day. This property is ready to move in today and doubles as an easy maintenance property, or the ultimate investment as will be in demand in this great location with this well finished property, except move in or add to your rental portfolio.
