CONTACT AGENT

Located in the heart of Shailer Park is this gentle, sloping, fully cleared block. This block would benefit from an individually designed home that captures the Northeast aspect. Room for a pool, and if you create a stunning deck facing the North, you can enjoy the Queensland weather all year round. The owner has a breathtaking home designed for the block, but they will not be building their dream home due to changing circumstances. Plans can be provided. The plans have BA approval, too.
