Brand-new, Luxurious Townhouse Living by Mancini Made. Sophisticated design and lavish finishes are the cornerstones of this property's success. Architecturally designed and crafted by award winning Mancini Made, these three luxurious townhouses are in prime position, close to Braybrook Park, High Point Shopping Centre and Sunshine Station. This is an exceptional chance not to be missed. Exposed aggregate drives and lush, soft landscapes lead to these brick veneer homes with single car garages and double glazed windows and doors. Each townhouse showcases enticing open plan living with engineered timber flooring, anchored by a gourmet kitchen with inviting island, stone benchtop, electric oven, induction cooktop, built-in rangehoods and integrated dishwasher. The dedicated laundry is well thought out and direct access to private courtyards will ensure these homes are geared for entertaining in style. Accommodation is well catered for with two spacious bedrooms on the upper level with quality carpet and a deluxe accompanying bathroom with designer finishes; elements include a frameless glass shower screen, floor to ceiling tiles, full stone counter top and the chrome hardware will remain timeless. This is a unique opportunity to secure something truly special. Contact Eric Mancini 0413952305 today. Townhouse 1 - \$710,000 - \$750,000 Townhouse 3 - \$660,000 - \$690,000
