Introduced by its own independent street frontage, enhanced by a pleasing sense of individuality, this inviting single level unit represents a brilliant way to begin in property ownership. Equally attractive as an investment and a smart downsizing decision, its bright spaces are accompanied by pleasing outdoor dimensions, an allocated garage and ample under-house storage. Timber flooring and an efficient heat pump complement the living room that leads to a separately zoned kitchen/dining area featuring generous bench-space, a stainless steel oven, tiled splash-backs and cabinetry of modern style and quality. Two double bedrooms, each featuring built-in robes, share a central bathroom fitted with a separate bath and shower while the presence of a separate laundry and separate toilet further define the appeal of the design. Outdoor entertaining areas, both open and covered, the garage and the great storage space put fine finishing touches to an address of enduring, engaging character close to Penquite Road shops, Punchbowl Reserve, secondary and primary schools.
