Peter Locke
0208904500

Offers on \$385,000

Please note future inspections will be notified as applications have now been received. We cherish tenants like these, solid long term and high rent, always immaculate and on time. This stylish ground floor unit has its own private courtyard leading from the beautifully presented living area, it really opens the whole place up. Built in an Atrium style with just 24 units all with the garden outlook, it is in the centre of the busy Wembley precinct of Cambridge Street. The living here is great with transport at the door and plenty of food and entertainment options all around. Inspect with confidence.
