\$568,000

Beautifully presented and immaculately maintained, this perfect family home offers a contemporary design, streaming natural light throughout. Spacious living room with central courtyard, flowing to a large kitchen fitted with stainless steel appliances, overlooking the meals and family area, opening to an alfresco and a beautifully manicured backyard. Living quarters offer: 3 fitted bedrooms, master with built in robes and ensuite, plus a gorgeous central bathroom. Other features include: ducted heating , split system and single auto garage with internal access. First home buyers, investors and downsizers, don't miss this perfect opportunity. *Inspections By Appointment Only or Advertised Times*Contact our Team to arrange your private inspection
