Nestled in a conveniently central location within walking distance to everything Bankstown has to offer, this three-bedroom townhouse is certain to captivate. On the ground floor, you'll find a guest restroom, internal laundry, a versatile lock-up garage, an airy living/dining area flooded with natural light and a well kept kitchen boasting ample storage space. Ascending to the second level reveals three generously proportioned bedrooms alongside a spacious bathroom including bathtub and shower. Positioned ideally for both investors and first-time buyers, this property's location is a standout feature. I strongly advise scheduling an in-person viewing, as photos alone fail to do justice to this remarkable home. Contact Jean-Pierre Abi Akl on 0499 411 181
