An outstanding land banking opportunity with uninterrupted views on 30.74 acres (approx.). A picturesque property on the outskirts of Melton that overlooks the scenic Kororoit Creek and Mt. Kororoit. River red gums, line the eastern boundary, fencing and heritage dry stone walls line the remainder. Also ideal for running horses. Offering a private country lifestyle close to town and city access. This home is built with a distinctive Australian architectural flavour, with 5 large bedrooms & 2-bathrooms including an ensuite. Entertaining would be a breeze with the massive open plan living & dining area with an expansive veranda with breathtaking views whilst watching the wedge-tailed eagles by day and share a glass of wine as you star-gaze by night. You'll love the limed-pine vaulted cathedral ceilings, exposed trusses, solid brush box flooring, double glazed windows, reverse cycle air-conditioning, solid wood burner, ceiling fans, an enormous double garage and huge farm shed with concrete floors, water tanks and plenty more. As private as the location maybe, the property is only a short drive to primary & secondary schools, Woodgrove Shopping Centre, Melton Valley Golf Club, local amenities & restaurants. Also, easy access to Melton Highway & Western Freeway. Feel free to contact Ash Dubash on 0420 428 055 for any question you may have.
