For Sale \$780,000

Inner west specialist and long-term local resident, selling agent Charles Bailey says, "This former corner shop has been converted into a unique and creative living space, making it a flexible character home with fantastic potential to add some value with an update or redesign." It also enjoys a great location close to the light rail, local cafes and Lewisham train station, and is within a stroll to Summer Hill's village life.- A ground floor corner position with own entrance from Denison Road- Bright living space with 14-foot ceilings, polished floors and picture rails- Two bedrooms include a second bedroom/study with built-in storage- A neat and tidy kitchen, separate bathroom and an internal laundry- Excellent scope for a creative renovation or redesign to suit requirements- Part of a boutique and older-style block of only four apartments- A highly convenient position with easy street parking available
