Superbly located in the heart of Frankston's 'golden triangle' in footsteps to restaurants, cafes, bistros and major shopping, this two-bedroom, one-bathroom unit is drenched in natural light and lifestyle appeal on a peaceful street removed from the major roads whilst still boasting the convenience of being moments away from public transport including the Frankston Train Line. Crisp, contemporary and coastal, the central living and dining area boasts a white-on-white palette warmed by elegant woodgrain flooring, while sliding glass doors open to a private undercover deck and courtyard (the only one in the complex) to host in the open air and provide space for a small pet. An executive-style galley kitchen services the residence, replete with stone benchtops, an electric cooktop, stainless-steel oven and dishwasher, providing a sleek space to whip up home-cooked meals in between nights out on the town. Basking in north-facing light, the front bedroom with built-in robe is soft and inviting, while a second sun-filled bedroom with sheer curtains, an additional dedicated study for work-from-home convenience and contemporary bathroom with shower and stone-topped vanity provide all the comforts and conveniences. Zoned for both Frankston Primary School and Frankston High School, the location is in strolling distance to the beach, Frankston Hospital, Monash University, Chisholm, Frankston Station and the Peninsula Aquatic Recreation Centre. Ideal for starters, downsizers, singles, couples, small families and investors, this ground level apartment comes with split-system heating and airconditioning and an allocated parking space.
