\$710,000

Setting a new benchmark in contemporary living, offering a small boutique development of four townhouses in the ever-evolving inner west suburb of Brooklyn filled with light and equipped with quality fixtures and finishes throughout. Spacious and bright open-plan kitchen with polished floors, stone bench-tops, stainless steel appliances, separate laundry & powder rooms. Low maintenance courtyards perfect for entertaining with family & friends. Split system cooling/heating and lock up garage, convey impressive contemporary quality, all within 15 minutes to the city approx... Providing an immediately enjoyable environment of light and space along with outstanding urban convenience, this immaculately-presented unit makes an ideal first home, low-maintenance investment or affordable downsize option. Situated in a quiet street that is walking distance to Brooklyn Reserve, minutes from the Westgate freeway & a moments' drive to Altona Gate shopping centre this one is an easy choice!
