High-gabled and highly-accommodating at a highly-sought Brighton East address, this is where timeless style meets today's big, busy family lifestyle. In a Dendy Park location, this five bedroom, 2.5 bathroom attic-style home showcases a designer renovation with a warming fireplace for beautiful bay-windowed living, a sun-soaked north-facing balcony for the first-floor lounge, and more living (and more north sun) in an all-weather, all-season alfresco area. Styled with a state-of-the-art stone-benchtap and Bosch appliance kitchen linked to the alfresco zone by a corner of server-windows and a double-duty laundry positioned for butler's pantry functionality, this solid-brick beauty has all you need for today (including ducted heating, reverse-cycle air-conditioned, fan-cooling and keyless entry), all you could want for easy living including low-maintenance grounds. Best of all, there's all the clever design you need to last a lifetime with a ground-floor master-suite (with walk-in robe and fully-tiled designer ensuite) and first-floor kids' quarters with their own sizeable & stylish bathroom. Securely auto-gated with exposed-aggregate parking out front and auto-garaging behind, this highly-accommodating, high-gabled home is high on lifestyle too – a kick to Dendy Park, a dash to the station and shops, and conveniently located within the Brighton Secondary, Haileybury and St Leonard's school zones, all which are only minutes away.
