\$745,000

Why settle for the norm when you can be part of something stylish, something special and something completely different and unique to anything currently out there in the marketplace. 'Husk', an exclusive resort-style gated development of only eight glamorously renovated single-level two-bedroom, two-bathroom units, offers a fashionable Nunawading lifestyle with a desirable difference. Renovated top to bottom with outstanding build quality, high-end finishes, integrated dishwashers, chic décor, single car accommodation and a strong focus on modern low-maintenance living, Nunawading's hottest new address is distinctly different from its counterparts in surrounding areas. An easy walk to Nunawading train station, parks, buses and the Brandsmart shopping outlet and only minutes to quality schools and the Eastern Freeway, it's a rare lifestyle offering.
