\$650,000

This Street frontage townhouse encapsulates every desirable aspect of inner city living with everything at your door including transport, the vibrant Sydney Road with all its shops, restaurants and conveniences. The home boasting a bright and spacious interior bathed in natural light offering very comfortable living over three levels. The generous open plan living offers timber floors, kitchen meals are with Caesar stone bench tops, stainless steel appliances including dishwasher. Two bedrooms each with built in robes and central bathroom and a third/ study giving flexibility and an exceptional home office. Additional features include, split system heating and cooling, direct access to secure undercover parking, landscaped garden, double glazed windows and ready to move in and take advantage of low maintenance living. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
